Someone Stop The

Madness!

The world has seemingly lost its sense of purpose. We need strong leadership to take us in a safe and secure direction! But who?

Someone once said there's nothing certain in this life except 'death and taxes.' but nowadays it appears we can add a couple more items to that list:

There's nothing certain in this life except 'death...taxes...crooked politicians...and hypocritical religion!

- Where's our leadership?
- Where are our heroes?
- Where is Superman?

My friend, this world did have a Super Man Who came and did many wonderful works among us. He came 2,000 years ago, but was rejected and crucified. Yet, He willingly gave His life for yours and mine. He is more than a Hero, He is the Son of God!

But, Jesus just didn't die, He also rose again, just as He predicted He would.

He now awaits in heaven for the day in which He will return to this earth.

But before Jesus returns to this earth, the Bible forewarns of an imposter appearing on the world's scene. He will seem to be the very 'super man' that we are all have been crying out for to come.

This would-be 'super man' will be what the Bible describes as the antichrist. He too will perform miracles to deceive the world. He will force people to bow down to him in total submission. He will stand opposed to all the good that Jesus is and that He represents.

Friend, is that the Political leader you've been hoping for? Is that who you want to rule over you?

When Jesus returns we are told that everyone will bow down to Him in total submission. Who would you rather submit your life to?

Upon Christ's return, He will fight against the Antichrist — and will win! And then once again, Jesus will emerge as the world's Super Man and Super God!

It will be to your advantage to choose the right Leader. Believe on Christ now before it is too late.

"Trust in the LORD with all your heart, And lean not on your own understanding; In all your ways acknowledge Him, And He shall direct your paths." — Proverbs 3:5, 6
